Cuba Historical Society

Dear Cuba community member,

We are pleased to announce the reformation of the Cuba Historical Society! First established in 1968, the Cuba Historical Society serves as a social and educational resource for those interested in the history of the Town and Village of Cuba, New York. The Society's museum, located on Genesee Street, has long preserved artifacts, documents, and genealogical records related to our area's past. The museum also assists with historical research upon request.

During its heyday, the Historical Society had over 200 members. In recent years, membership declined, but thanks to the sponsorship of the Cuba Chamber of Commerce, and with the support of Cuba Circulating Library, Cuba Village, and many dedicated individuals, we are bringing the Society back to life!

And you can help. NOW is the time to join. Please consider completing the enclosed form and becoming a Cuba Historical Society member at one of the membership levels. You may also support our mission with a gift in memory of a deceased loved one.

Join us for the Annual Meeting at 6:30 p.m. on Tuesday, April 22nd, at the Cuba Circulating Library to learn more and get involved!

Sincerely,

Lew Holden
President
